

COMMANDER NAVY REGION MID-ATLANTIC (CNRMA) - TRAFFIC SAFETY TRAINING

Commander Navy Installations (CNI) has awarded a contract to BMT Designers and Planners for the training implementation of the Navy's Traffic Safety and Recreational Off-Duty Safety (RODS) programs. **This training is coordinated and managed by the respective CNRMA Public Safety installation's safety office.** Instructors from BMT provide training in various topics. Below is a brief synopsis of the courses currently offered.

Basic Rider Course (BRC) - Motorcycle Safety Course, (16 hours, 2 days). Motorcycle Safety Foundation (MSF) approved course. Mandatory for all active duty personnel who operate motorcycles on- or off-base, on- or off-duty, on- or off-road and civilian employees operating on-base. State license with appropriate motorcycle endorsement is required to sign up.

Experienced Rider Course (ERC) – Motorcycle Safety Course (5 hours, 1 day). Motorcycle Safety Foundation (MSF) approved course. **Successful completion of BRC is required.**

American Automobile Association/Driver Improvement Program (AAA/DIP) (8 hours, 1 day). Classroom instruction in traffic safety designed to establish and reinforce a positive attitude toward safe driving. This course is mandatory for (1) all, other than incidental, drivers of government motor vehicles (GMV); (2) military and DOD civilian personnel who, while driving a GMV, were involved in a crash on- or off-base; (3) personnel operating a GMV or personal motor vehicle (PMV) who have been convicted of a serious moving traffic violation (i.e., reckless driving, driving while intoxicated, speeding, following too closely, failure to yield). This course is not intended for the "Under 26 years Entry-Level Traffic Safety Training". Other options are available to satisfy this requirement. **Contact the CNRMA Assistant Traffic Safety Program Manager (ATSPM), Mike Lucas at (757) 322-2433, DSN 262, Michael.s.lucas1@navy.mil for additional information.**

All-Terrain Vehicle (ATV) Rider Course (8 hours, 1 day). Operators of government-owned all-terrain vehicles (ATVs) shall successfully complete this course prior to operating these vehicles on any navy installation.

****Customer Requested - Training / Presentations**** Training and presentations in various traffic, holiday and recreational safety topics are available upon customer request. **Contact the ATSPM, Mike Lucas at (757) 322-2433, DSN 262, Michael.s.lucas1@navy.mil for additional information.**
